RFID Library Book Tag RRHFT01

Specifications

Parameter	RRHFT01
Operating Frequency	13.56 MHz
IC	ICODE SLIX2
Protocol	ISO 15693, ISO 18000-3
Memory Supported	2.5Kbits
Read Range	Upto 1 m*
Covering Material	Paper adhesive
Tag Dimension	86 × 54 mm approx.
Antenna Dimension	80 × 50 mm approx.
Data Retention	Upto 50 Years

* When used with RRHFGA2

Overview

RRHFT01 is commonly used RFID book tag based on NXP I-Code series ICs. It supports ISO15693 and ISO18000-3 standards. It comes with specialized adhesive providing longer tag life after pasting.

It is pasted on inner side of the front cover and masked by an anti-theft sticker to avoid tempering.

Features & Benefits

- Based on latest NXP IC (ICODE SLIX2)
- Supports EAS and AFI
- Book lifetime warranty
- Worldwide unique identification
