About SCHOOL OF ALLIED HEALTH SCIENCES, VMRF (DU) SALEM.

School of Allied Health Sciences was started in the year 2004 with a motive of giving the best Education and Training in the field of Allied Health Sciences and from then on we are growing enormously not only in student strength but also in terms of this quality and dynamicity.

Now SAHS has 14 UG Courses, 11 PG Courses and 3 Diploma courses in various fields of AHS. We at SAHS are dedicated to make our student excel in academic and life skills, the most needed in this fast changing world. With a motive to inculcate social responsibility many extra- curricular activities like community outreach Programmers, NSS, RRC have initialed and done successfully

ABOUT Library

SAHS Library is the knowledge hub of the college and disseminates knowledge widely and deeply.

The library serves the following objectives:

- Ensures optimum utilization of the resources available in the library.
- Ensures easy access to the facilities available to all the staff and students.
- Encourage and fosters reading habit among the staff and students.
- Serves as the center of information for the college and provides easy access to national and global know-how for all the staff and students.
- Improves collection and services on a continuous basis in consultation with the users/ stakeholders.
- Provides an appropriate and comfortable ambience for the library users.
